

TEAM REGISTRATION

Entering a team in the Tour de Whatcom is a great way to get even more out of a great event.

A team can be a family, a business, or any group that enjoys riding together. Many corporations have employee wellness plans that encourage workers to exercise. Your employer may be willing to sponsor a team. Why not ask?

- Sign up each member of your team on the “Team Registration” sheet. Be sure to include your team's name and a company name if applicable.
- Make sure each team member has filled out a mail-in individual registration form available on our website.
- Enclose all individual registration forms as well as the Team registration along with a check or checks for the appropriate amount – *varies with length of ride.*

*The “**most miles trophy of glory**” will be awarded to the team that collectively rides the farthest. So get your team out for some practice and we'll see you on the 30th of July!*

2011 Tour de Whatcom Team Registration

Company Name: _____
